WARNINGS Read Before Using Your Sega Dreamcast™ Video Game System

CAUTION

Anyone who uses the Sega Dreamcast™ should read the operating manual for the software and console before operating them. A responsible adult should read these manuals together with any minors who will use the Sega Dreamcast™ before the minor uses it.

HEALTH AND EPILEPSY WARNING

Some small number of people are susceptible to epileptic seizures or loss of consciousness when exposed to certain flashing lights or light patterns that they encounter in everyday life, such as those in certain television images or video games. These seizures or loss of consciousness may occur even if the person has never had an epileptic seizure.

If you or anyone in your family has ever had symptoms related to epilepsy when exposed to flashing lights, consult your doctor prior to using Sega Dreamcast™.

In all cases, parents should monitor the use of video games by their children. If any player experiences dizziness, blurred vision, eye or muscle twitches, loss of consciousness, disorientation, any involuntary movement or convulsion, IMMEDIATELY DISCONTINUE USE AND CONSULT YOUR DOCTOR BEFORE RESUMING PLAY.

To reduce the possibility of such symptoms, the operator must follow these safety precautions at all times when using Sega Dreamcast™:

- Sit a minimum of 6.5 feet away from the television screen. This should be as far as the length of the controller cable.

- Do not play if you are tired or have not had much sleep.
- Make sure that the room in which you are playing has all the lights on and is well lit.
- Stop playing video games for at least ten to twenty minutes per hour. This will rest your eyes, neck, arms and fingers so that you can continue comfortably playing the game in the future.

OPERATING PRECAUTIONS

To prevent personal injury, property damage or malfunction:

- Before removing disc, be sure it has stopped spinning.
- The Sega Dreamcast™ GD-ROM disc is intended for use exclusively on the Sega Dreamcast™ video game system. Do not use this disc in anything other than a Sega Dreamcast™ console, especially not in a CD player.
- Do not allow fingerprints or dirt on either side of the disc.
- Avoid bending the disc. Do not touch, smudge or scratch its surface.
- Do not modify or enlarge the center hole of the disc or use a disc that is cracked, modified or repaired with adhesive tape.
- Do not write on or apply anything to either side of the disc.
- Store the disc in its original case and do not expose it to high temperature and humidity.
- Do not leave the disc in direct sunlight or near a radiator or other source of heat.
- Use lens cleaner and a soft dry cloth to clean disc, wiping gently from the center to the edge. Never use chemicals such as benzene and paint thinner to clean disc.

PROJECTION TELEVISION WARNING

Still pictures or images may cause permanent picture tube damage or mark the phosphor of the CRT. Avoid repeated or extended use of video games on large-screen projection televisions.

SEGA DREAMCAST™ VIDEO GAME USE

This GD-ROM can only be used with the Sega Dreamcast™ video game system. Do not attempt to play this GD-ROM on any other CD player, doing so may damage the headphones and/or speakers. This game is licensed for home play on the Sega Dreamcast™ video game system only. Unauthorized copying, reproduction, rental, public performance of this game is a violation of applicable laws. GETTING STARTED

Set up your Sega Dreamcast according to the instructions in its Instruction Manual. Make sure the power is OFF before inserting or removing a GD-ROM. Insert the **NIGHTMARE CREATURES II** disc and close the disc cover. Insert a game controller and turn on the Sega Dreamcast. Follow the on-screen instructions to start a game.

Memory Cards

To save game settings and progress, insert a Memory Card [Visual Memory Unit (VMU) sold separately] into Expansion Slot 1 on the Sega Dreamcast Controller before starting play. You can load your saved games from the same VMU, or from any VMU containing previously saved **NIGHTMARE CREATURES II** games. For more information on saving and loading, see page 9.

NOTE: **NIGHTMARE CREATURES II** uses 29 blocks of Memory Card data to save each game. Make sure there are enough free blocks on your Memory Card before commencing play. Do not insert or remove a Memory Card while saving/loading games or after the power has been turned ON.

PROLOGUE

A hundred years after his defeat in London, Adam Crowley is back. The sorcerer spent one whole century regaining his strength and is now preparing his masterpiece: to call up an ancestral entity of terrifying power in order to merge with it. If Crowley succeeds, he will finally embrace immortality and will soon be poised to impose his reign on Earth forever! With the aid of his Emissaries, creatures that are part of the Devourer, he plans to carry out a powerful ritual that will allow the entity to manifest itself.

One of the essential elements needed for this operation is a powerful magic artifact known as the Glyph. However, this artifact, is in the hands of the Circle, a secret organization founded by Ignatius Blackward and Nadia Fransiscus.

Crowley is quick to move on his demented plan and decides to surprise attack the Circle organization. The sorcerer massacres Ignatius and Nadia and steals the famous Glyph, thereby killing two birds with one stone. Unfortunately for Crowley, Ignatius' and Nadia's spiritual descendants have not played their last card: Herbert Wallace.

Wallace shares a relationship with Crowley that most mortals would never wish upon themselves. Kidnapped at a young age, Wallace became a laboratory test subject of Crowley. For several long and grueling years, Wallace was locked up in a cell and involved in countless lab experiments, torture, and mutilation. As each day passed, Wallace had nothing to look forward to except a new kind of torture or experimentation.

Wallace was beginning to lose his senses, as cell isolation and physical degradation was stripping him of conscious thought. Horrific nightmares haunted Wallace in his sleep and he began to wonder if his dreams were real, imagined, or somehow visions. One night, he visualized Crowley's massacre of the Circle organization in his mind, and clinging onto his last ounce of mentality, Wallace came to the conclusion that everything he endures must stop. His only solution is to hunt down the souls responsible for his unfortunate fate and settle the score in the ultimate display of revenge. It's up to Wallace to stop Crowley from accomplishing his demented plan.

STARTING THE GAME

After the introductory logos are displayed, you will see an opening movie followed by the Title Screen. The opening movie can be interrupted/skipped by pressing the START Button or **A** Button. When the Title Screen appears, select NEW GAME, LOAD GAME, THERAPY or OPTIONS using the Direction Button or Analog Thumb Pad. Enter the selection with the **A** Button. Press the **B** Button to return to the previous screen.

NEW GAME

Select NEW GAME to play a game from the beginning.

LOAD GAME

Select LOAD GAME to continue playing a previously saved game using data saved on a VMU. Select the desired game using the Direction Button or Analog Thumb Pad and enter your selection with the **A** Button. For more information on saving and loading, see page 9.

THERAPY

This is a combat training mode to get familiar with the controls and learn valuable offensive/defensive skills. In this mode, the player is given unlimited health and must fight monsters that will regenerate automatically after they die.

To quit this mode, pause the game and select quit game.

OPTIONS

Select OPTIONS to modify game settings. Game settings can also be modified during play by pressing the START Button to open a menu (refer to Options Screen in Explanation of Windows on p. 12).

WARNING: ENDING A GAME

The correct procedure when ending the game is to open the disc cover, wait for the disc to stop moving, and then turn OFF the power. The disc will continue to turn if the power is switched OFF first, and may become scratched during removal.

SAVING / LOADING A GAME

Insert a VMU into Expansion Slot 1 on the Sega Dreamcast Controller. A game can be saved at any one of the various save points scattered throughout each level. The save points are easily identified as ancient books strategically placed for collection. Approach the ancient books using the Direction Button or Analog Thumb Pad to pick up the book. Upon collection of the book the player will be provided with on-screen instructions for saving a game.

To load a game, the player must access the main menu from the Title Screen and then select LOAD GAME. Follow the on-screen instructions to restore your saved game.

Note: If the player refuses to save upon collection of the ancient book, the book is lost and the player cannot save until the next ancient book is discovered.

READING THE GAME SCREEN

UNDERSTANDING THE EXPLORATION MODE INTERFACE

Exploration Mode is the primary mode of play throughout the **NIGHTMARE CREATURES II** universe. This mode allows the player to wander throughout each level collecting powerups, health vials, keys, etc. Other control functions, such as knocking down doors, unlocking doors, running, jumping, and swimming are possible. Saving game play at designated Save Locations is also conducted in Exploration Mode.

1 Health

Represents Wallace's health. The green part of the health bar indicates the remaining health of Wallace. If the health bar becomes completely depleted, the game is over.

2 Item Inventory

Represents items collected by Wallace throughout the game for use in Exploration Mode. If one or more items are carried by Wallace, the player can choose the desired item from inventory. To select items from the available inventory, press and hold the L Trigger to cycle through available items until the desired item is shown. Press the R Trigger or  Button to use the selected item.

3 Air Gauge

When swimming underwater, this gauge indicates the remaining air of Wallace.

Save Locations

At save locations, you can save data for game play up to the current point (refer to Saving/Loading A Game on p. 9).

UNDERSTANDING THE COMBAT MODE INTERFACE

When the player gets within a certain proximity of an enemy, Combat Mode is automatically engaged. When Combat Mode is engaged, the health status bar of the targeted enemy is simultaneously activated and will appear on the upper right hand corner of the screen. When the enemy is defeated, the enemy health status bar will disappear automatically and Exploration Mode will be restored.

To activate Exploration Mode while in Combat Mode, refer to Using The Controller on p. 3. It may be necessary to exercise this tactic in order to acquire health vials, ammunition, power-ups, etc., to prevent dying in the midst of combat.

1 Health

Represents Wallace's health. The green part of the health bar indicates the remaining health of Wallace. If the health bar becomes completely depleted, the game is over.

2 Enemy Health

Represents the health status of the targeted enemy. The red part of the health bar indicates the remaining health of the targeted enemy. During multiple enemy combat, only the currently targeted enemy's health will be displayed.

3 Item Inventory

Represents items collected by Wallace throughout the game for use in Combat Mode. If one or more items are carried by Wallace, the player can choose the desired item from inventory. To select items from the available inventory, press and hold the L Trigger to cycle through available items until the desired item is shown. Press the R Trigger to use the selected item.

CHARACTERS

HERBERT WALLACE

Herbert Wallace was once a young handsome man, well known for his escapades in London nightlife. He was attracted by esotericism and the supernatural. He mixed with various occult groups before being noticed by the Circle. In Wallace, they saw a promising agent.

Wallace was filled with enthusiasm for his new life and teamed up with his old friend Havensmith. During one of their missions, the two accomplices discovered a branch of the Brotherhood of Hecate working towards Crowley's return. The mission was an utter failure and Wallace was taken prisoner. Declared missing, he was in fact kept by Crowley and used for his experiments. After a spectacular escape, Wallace was found roaming the streets of London and placed in a psychiatric hospital.

Wallace is a tormented young man. After being locked up in a psychiatric hospital for a long time, he remains subject to delirious, destructive visions and takes extremely violent and destructive action. His terrible past experiences left him badly scarred both mentally and physically. He is in his twenties but appears twenty years older.

Herbert Wallace was certainly promised a brilliant and eventful life but Crowley was to stop him in his stride. Frightened by his new appearance and chaotic thoughts, he is afraid of becoming a monster and having been corrupted forever by Crowley's influence and tampering. Still, he is blessed with enormous inner energy and a fury to live, making him capable of standing up against any type of ordeal.

ADAM CROWLEY

Born in London in 1635, Adam Crowley was a brilliant scientist, a doctor of medicine and a specialist of natural sciences. Bestowed with an ingenious mind, Crowley had unfortunately neither scruples nor the slightest sense of morality.

Indeed, the wicked mastermind was prepared to do anything in order to successfully carry out his experiments - he didn't care whether his guinea pigs were human or otherwise. Always looking to further his knowledge, Crowley became interested in black magic. Merging his expert knowledge of laboratory science with his new found passion in occult science, Crowley became a master of bio-sorcery and eventually took control of the Brotherhood of Hecate, which he transformed into a secret network of submissive servitors.

Crowley was obsessed by the quest for immortality and absolute power and looked for a solution that would accomplish both. In 1665, Crowley learned the existence of evil entities driven back to the ends of the earth by special rituals contained in a secret book. If Crowley could gain access to this book, he might be able to summon one of these entities and merge their powers together. Therefore he devises a plan that would span over 200 years.

In 1834, Crowley attempted to accomplish his supreme act in London by stealing the secret book. Ultimately his attempt was a failure, thwarted by the efforts of Ignatius Blackward and Nadia Franciscus. Despite his failure, Crowley understood that the key to his success lay in his union with this creature.

Physically weakened, the sorcerer used the following decades to perfect his knowledge of the Entity with which he hoped to become one, in order to impose his reign on an Earth immersed in a new age of gloom.

One century following the events of Nightmare Creatures, Crowley is ready to put his infernal plan into action...

WARRANTY

Konami of America, Inc. warrants to the original purchaser of this Konami software product that the medium on which this computer program is recorded is free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase. This Konami product is sold "as is," without express or implied warranty of any kind, and Konami is not liable for any losses or damages of any kind resulting from use of this program. Konami agrees for a period of ninety (90) days to either repair or replace, at its option, free of charge, any Konami product, postage paid, with proof of date of purchase, at its Factory Service Center. This warranty is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect in the Konami software product has arisen through abuse, unreasonable use, mistreatment or neglect.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY NATURE SHALL BE BINDING ON OR OBLIGATE KONAMI. ANY IMPLIED WARRANTIES APPLICABLE TO THIS SOFTWARE PRODUCT, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE NINETY (90) DAY PERIOD DESCRIBED ABOVE. IN NO EVENT WILL KONAMI BE LIABLE FOR ANY SPECIAL INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THIS KONAMI PRODUCT.

Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of incidental or consequential damages so the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific rights, and you may also have other rights which vary from state to state.

If you experience technical problems with your game pak, please call our Warranty Services number (850) 654-5687.
